

Amendments to the Claims:

The listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of the Claims:

1.-22. (Canceled)

23. (Original) A method for treating or preventing Crohn's disease in an individual in need thereof comprising administering to the individual cyclosporin or analog thereof in combination with a tumor necrosis factor antagonist, in therapeutically effective amounts.

24. (Original) A method of Claim 23 wherein the tumor necrosis factor antagonist is an anti-tumor necrosis factor antibody or fragment thereof.

25. (Original) A method of Claim 24 wherein the antibody is a chimeric antibody.

26. (Original) A method of Claim 23 wherein the tumor necrosis factor antagonist is a receptor molecule which binds to tumor necrosis factor.

27. (Original) A method of Claim 26 wherein the receptor molecule is a tumor necrosis factor receptor/immunoglobulin G fusion protein.

Applicants: Marc Feldmann, Ravinder N. Maini and
Richard O. Williams
Serial No.: Not Yet Known
Filed: January 20, 2004
